

Classic looks, modern technology

RefLED® Retro MR11

Sylvania's new LED MR11 directional lamp range, now with a glass retro look!

The special halogen inspired faceted lens designs allow the full front face of the lens to light up without any visible heatsink, replicating the classic look and feel of traditional halogen lamps.

Ideal to replace traditional halogen lamps in residential, hospitality and retail applications.

RefLED® Retro MR11

Features

- LED MR11 range with the same look and feel of traditional halogen MR11 lamp
- Up to 88% energy saving
